## A Note from the Director

Wow! What a wonderful summer we are having at NFC. The vegetable gardens are growing, the children are trying the produce, enjoying water play and spending lots of time exploring nature. Hopefully families have had time to relax and vacation with loved ones. This month we say good-bye to many families and children moving on to kindergarten and new schools. We will miss you all and invite you back anytime to visit. Thank you for entrusting your children to our care!

Wishing you the best ~ Nancy

## What’s happening at NFC?

Enrichment classes will have sign-up information out in early fall. Watch for news about GYMM, Spanish and more and get ready for fun!

\*Please note: enrichment classes are open to older students only. Class sizes are limited and are filled on a first-come/first-served basis. Payment in the form of a check is required at registration to reserve your child’s spot.

Looking to Change Days? If you wish to add or trade a day, please speak with your child’s teachers. If you are looking to permanently change your child’s schedule, please submit your requests as soon as possible to the office (include the days you would like to change to and when you would like this new schedule to start.) As long as the room counts will allow it, we will do our best to accommodate you.

This month we will see many of our college summer help return to school. Thank you for all your help this summer and best of luck ~ we’ll see you on your next break!

Sunblock: Remember to put sunblock on your child before school! Staff will reapply sunblock before afternoon play. (Infants and Young Toddlers will still receive sunblock at school.)

## So Long, Farewell,

### Auf Wiedersehen, Good-bye!

We would like to take the time to say good-bye and thank you to some of our wonderful staff who will, unfortunately for us, be moving on to new adventures. The Infant room will bid a fond farewell to Ms. Michelle, who is moving to Chicago to continue her painting, as art is her true passion. Ms. Katie from the Young Toddler room will be leaving to concentrate more on her education and her budding photography business. From the Toddler room we said good-bye in July to Ms. Sandy. Having purchased a new business with her son, Ms. Sandy has left to continue her new career as an entrepreneur, but we are all welcome to visit her at her new establishment, The Hamburg Pub. The Early Preschool room wishes Ms. Bailey all the best as she moves to Mount Pleasant where she will be attending school in the fall. And from the Kindergarten Readiness room we said good-bye to Ms. Reze, who was moving away with her family.

To our wonderful staff: we wish you all the best as you sail forth into uncharted waters. We thank you for your help, your friendship and the wonderful care that you have given to the children over the years. Please keep in touch!

## Center-wide Playdate

All friends, small and big, old and new, are invited to attend the Northville First Care center-wide playdate. To help wrap up our wonderful summer and say, "Farewell!" to all the friends moving on to new things, we would like you to join us on Saturday, August 15<sup>th</sup> at 10:00 am at Castle Park. Located by Ford Field and Mill Race Village off of Griswold Street in downtown Northville, this park has plenty to offer our friends of all ages. We hope to get there early enough to commandeer some picnic tables in the shade so our parents can set up for snacks while being able to relax, visit with other parents and watch the children play. This invitation is open to the entire family as well as former NFC families and you can come and go as you please. We hope to see you all there!

We had a great time at Maybury Farm!
