A Note from the Director

The joyous Easter season is upon us! We are celebrating by listening to the story of Jesus and how he died so that we may have everlasting life! We will also color eggs, have egg hunts and Easter parties with parents. The First United Methodist Church also has many additional activities and services for families. Please come and be a part of the celebration.

Have a Happy Easter! -- Nancy

What's happening at NFC?

Spring Break: Easter is Sunday, April 5th. The public schools will be on Spring Break either the week before or the week after. If you are planning on taking your child out of the center that week please let your lead teacher know so we can staff accordingly.

Month of the Young Child: April is the national Month of the Young Child so watch for fun celebration activities like our parent-child breakfast! Purple is symbolic color for this month, so watch for staff wearing their purple and feel free to wear your own!

Here comes the sun!

The snow is gone and spring temperatures are on their way! With that thought in mind, please start procuring spring and summer gear for your child. This includes sunhats and new bottles of sunblock, all labeled with your child's name. To allow the children more outside time and to give their sunblock the appropriate amount of time to become active we ask that you apply sunscreen on your older children before they come in (this does not apply to the Infant and Young Toddler rooms.) Staff will reapply the sunblock in the afternoons for all children before going outside.
