A Note from the Director

What a beautiful Easter weekend! I hope families had a chance to gather and celebrate.

With both sadness and excitement, I want to let you know I am retiring at the end of April.

I have truly loved my years at NFC and have felt privileged and honored to be a part of your children's care and education. I will miss the daily interaction with the children, staff and parents.

We have hired a new director, Julie Pacheco-Smith, and she will begin shadowing in our center April 11th. She was the director of the Botsford Hospital Childcare Care that closed recently with the merger of Beaumont hospital. Julie has a Master's degree in Family and Child Development from Eastern Michigan University and 25 years of experience in child care. We are very excited to have such an experienced and dedicated professional. Please feel free to stop in the office and welcome Julie whenever you have time.

Enjoy this spring weather!
Best wishes -- Nancy

What's happening at NFC?

Please let us know of your summer attendance plans as soon as possible! Children who regularly attend 3, 4 & 5 days each week can "hold" their fall spots by paying for 2 days per week throughout the summer. For those of you who have the summer off and planned to keep your children home with you more often this is a great way to lock in your place next year while enjoying your summer with the kiddos! Please email or call Nancy as soon as you can so that she can help our new director with the summer scheduling. Thanks!
