A Note from the Director

Summer has been beautiful. We have been picking cucumbers and zucchini from the gardens. Ms. Stephanie of the Preschool class made delicious zucchini bread for the children and the teachers. The tomatoes should be ready soon.

This month we will say good-bye to all our friends that will be going to kindergarten. It has been a pleasure to have them here and we will miss them very much. Please remember to come back and visit! Thank you for being a part of the Northville First Care family.

Have a great August!
Julie

What's happening at NFC?

Enrichment Classes: Enrichment classes will have sign-up information out in early fall. Watch for news about GYMM, Spanish and Little Ninjas and get ready for fun!

*Please note: enrichment classes are open to older students only. Class sizes are limited and are filled on a first-come/first-served basis. Payment in the form of a check is required at registration to reserve your child's spot.

Switching Days: Looking to Change Days? If you wish to add or trade a day, please speak with your child's teachers. If you are looking to permanently change your child's schedule, please submit your requests as soon as possible to the office (include the days you would like to change to and when you would like this new schedule to start.) As long as the room counts will allow it, we will do our best to accommodate you.

Summer College Help: This month we will see many of our college summer help return to school. Thank you for all your help this summer and best of luck ~ we'll see you on your next break!
