

# Northville First Care August Newsletter

August 2017

## A Note from the Director

We have had beautiful weather and the gardens really look great. We have lettuce, zucchini, tomatoes, flowers and our sensory garden. Ms. Stephanie made her delicious zucchini bread for the children and the teachers. This month we will say good-bye to all our friends that will be going to kindergarten. It has been a pleasure to have them here and we will miss them very much. Please remember to come back and visit! Thank you for being a part of the Northville First Care family.

Have a great August!  
~ ~Julie

## What's happening at NFC?

Enrichment classes will have sign-up information out in early fall. Watch for news about GYMM, Spanish and more and get ready for fun!

\*Please note: enrichment classes are open to older students only. Class sizes are limited and are filled on a first-come/first-served basis. Payment in the form of a check is required at registration to reserve your child's spot.

Looking to Change Days? If you wish to add or trade a day, please speak with your child's teachers. If you are looking to permanently change your child's schedule, please submit your requests as soon as possible to the office (include the days you would like to change to and when you would like this new schedule to start.) If the room counts will allow it, we will do our best to accommodate you.

This month we will see many of our college summer help return to school. Thank you for all your help this summer and best of luck ~ we'll see you on your next break!

## So Long, Farewell,

## Auf Wiedersehen, Good-bye!

At the end of August, we will say good-bye to two long-term staff members: Ms. Cassie and Ms. Margaret. Ms. Cassie will be leaving the Early Preschool room to attend school full-time at Eastern Michigan University. The Infant Room will be sad to lose Ms. Margaret as she leaves to finish her last year of college and complete her full-time internship.

Thank you both for the many years of care that you have given the children, the help that you have provided to your fellow staff members and for light that you brought to us all. Best of luck, you will be missed!

## Center-wide Playdate

All friends, small and big, old and new, are invited to attend the Northville First Care center-wide playdate. To help wrap up our wonderful summer and say, "Farewell!" to all the friends moving on to new things, we would like you to join us on Saturday, August 19<sup>th</sup> at 10:00 am at Castle Park. Located by Ford Field and Mill Race Village, off of Griswold Street in downtown Northville, this park has plenty to offer our friends of all ages. We hope to get there early enough to commandeer some picnic tables in the shade so our parents can set up for snacks while being able to relax, visit with other parents and watch the children play. This invitation is open to the entire family as well as former NFC families and you can come and go as you please. We hope to see you all there!
