A Note from the Director

Wow! This has been quite a winter! Hopefully February will bring warmer temperatures and we can get back outside and play in the snow. In January we learned about arctic animals, hibernation, Mozart and making friends. This month we will celebrate Valentine's Day with events in the classroom.

Have a great month! -- Nancy

Center Reminders

--Please direct your tax questions and statement requests to Ruth Bastianelli ruth@northvillefirstcare.org.

--Don't forget to label, label, label! All of your child's belongings (spare clothes, outdoor gear, lunch equipment, bedding, and items from home on special days) should have legible labeling. This will help limit lost or misplaced items.

--We still collect Labels for Education, juice pouches (like CapriSun) and plastic bags. All of these help our center in some way, so do not throw them out: bring them in and we will put them to good use!

School Closing Reminders

The past few winters we have seen local area schools close to due extreme cold. When this happens Northville First Care is still open. Our children do not walk to school nor do they wait outside for a bus and so are in no danger from the elements. We understand that it can be very hard for some parents to take excess amount of time off work so we are trying to ease that burden as much as we can. When Northville Public schools are closed due to unsafe driving conditions, then Northville First Care will be closed.

Valentine's Day
Friday, February 12th is our Valentine's Day celebration. Classrooms will be having Valentine's Day parties either in the morning or afternoon. Please watch for your teacher's monthly newsletter and posted signs explaining your child's class party and any parent contributions need (either food or monetary donation.)

Hug your friends this Valentine's Day!
