A Note from the Director

Happy New Year to all our First Care Families. I hope you had a fun and relaxing holiday with your family and friends. Thank you for all the wonderful gifts our staff received through your generosity. We truly appreciate your kindness. We look forward to a wonderful year at Northville First Care! - Nancy

Outdoor Play Policy

Our children play outside each day when the temperature and wind chill are above 0°F. With your help your child will stay warm and have lots of fun while playing outside. Remember to label hats, gloves, snow pants/suits, coats and boots. Gloves should also be water resistant; knitted gloves can get very wet and make little hands very cold. Also, consider providing two pairs of gloves for your child to guarantee dry gear.

Center Reminders:

The 2016 calendars are in your classroom folders. Please notice that we will be closed for the week of Christmas this year. You can also find the new calendar on our website, www.northvillefirstcare.com.

School Closings:

When Northville Public Schools are closed by 6:00 am due to dangerous road conditions then Northville First Care is closed. School closings can be found online, on local news stations and on the radio. We also send out emails and Facebook messages as soon as possible so make sure that the office has an email address on file for your family. You can join the Northville First Care group by searching for us on Facebook (we are a closed, private group with crayons as our profile picture.) Send a request to join so that you can chat with other First Care parents and receive reminders about events and school closings.
