July 2014

## A Note from the Director

Summer is a wonderful time for our children and staff at NFC. We spend more time outdoors enjoying our playground, gardens and new sunshade pergola. The pergola was purchased with funds donated from the graduating class of 2013. We had a great graduation party for our 2014 graduates and are sad to see many of our friends move on to kindergarten. Thank you to all our parents for their support.

Summer is also a time to take a break and enjoy vacations. Please let your child's teacher know if you are vacationing so that we can staff appropriately and allow workers to plan their vacations.

Thanks ~ Nancy

## What's happening at NFC?

First United Methodist Church Vacation Bible School 2014:  
"Workshop of Wonders" August 4-8, 9 am- Noon

Preschool and Kindergarten Readiness children have been invited to attend Vacation Bible School at the church this August. A NFC teacher will attend with the children to make sure the children are comfortable and maintain ratios. All activities are here at the church and are lots of fun and age appropriate. There will be no cost to currently enrolled NFC children and they will receive a t-shirt to wear during the week. Watch for sign-up sheets to appear in your classroom!

\*Registration forms for older children can be obtained in the church office. Registration and tuition (\$20/child) are due by July 31.

Sunblock: Remember to put sunblock on your child before school! Staff will reapply sunblock before afternoon play. (Infants and Young Toddlers will still receive sunblock at school.)

**Rain, rain, go away! At least we have the gym for play!**
