

Northville First Care June Newsletter

June 2017

A Note from the Director

It's June and that means Summer, my favorite season. Our teachers are planning some exciting activities to bring our classrooms outdoors this summer. The gardens are started and I can't wait to see what will be growing.

This month we will be celebrating our children that will be leaving for kindergarten. Our graduation celebration is Friday, June 9th at 6:30 pm. This is a sad time as we have to say good-bye to so many families. We are blessed that you have shared your children with us - thank you!

Friday, June 16th from 4:30-6:00 pm is our Father's Day Golf and Ice Cream Social. We hope you can join us for this fun event.

Have a wonderful June and a happy Father's Day!

NFC Graduation

The graduation ceremony for those children who will be leaving us for kindergarten in the fall will be on Friday, June 9th at 6:30 pm in the gym. There will be a ceremony featuring songs by the children and culminating in the acceptance of their graduation diplomas. There will be food and refreshments available afterwards. It is a bittersweet day for many of us as we have watched these children grow from little beings to big, amazing, wonderful children. We at Northville First Care are proud of the graduating class of 2017 and we wish you all the best (and don't forget to visit!)

What's happening at NFC?

Summer Vacations: Please call, email, leave a note or a message with any staff member in your child's class if you are going on vacation this summer. Thanks for helping us to staff accordingly.

Different Pick-Up Person: Please let the staff in your child's class know if someone other than a parent or guardian will be picking up your child. This way our afternoon staff will be prepared for Grandma or Uncle or Baby-Sitter and can be ready to check photo identifications as well. Thank you for helping us keep your children safe.

Graduation Financials: If you have security deposits on account with us and your child is graduating the deposit will be applied to your last week's tuition.

4th of July Attendance: Please let your teachers know if your child will be attending school on Monday, July 3rd. Also, watch for holiday schedule sign-ups to appear in your classroom.
