## A Note from the Director

March is here! Spring is just around the corner. This month we celebrate Reading Month and invite parents to read in the classroom. We celebrate Easter in March this year. Stay tuned for activities in your child's classroom.

Happy Easter! -- Nancy

## What's happening at NFC?

**Valentine's Day:** Thank you to all the parents, friends and families who participated in our Sweetheart Breakfasts. We all had a great time (and some great food!) and we hope that you did too!

**Plastic Bags:** NFC is always in need of plastic bags so don't throw them away! Drop them off with in your child's classroom and they will be given to a class in need. Thanks!

**Juice Pouches:** We are always collecting juice pouches (for example: Capri Sun). Not only does it reduce the amount of garbage in landfills but we earn money to purchase fun things for our center.

**Spring Break:** The Northville public schools will be on Spring Break March 25-April 1, 2016. If you are planning on taking your child out of the center that week please let your lead teacher know so we can staff accordingly.

Someday the weather will turn here in Michigan and we won't need all of our snow gear anymore. The ground will often continue to be very wet for a bit so consider sending in rain boots for your child so that they can stay comfortable and dry while enjoying a Michigan spring.

## Parents: We need your help!

We know that your children love their school and we love having them here but more and more of our children have taken to wandering away from their parents at drop-off and pick-up times. Aside from the usual safety concerns involved with an unsupervised child we are also leery of: children gaining access to the parking lot via the automatic doors, of children disrupting the many church meetings and gatherings that occur throughout the building and of children hiding and playing in classrooms that have already been closed at the end of the day. With your help we can encourage all our little friends to use their walking feet and indoor voices in the hallways, to help us by keeping the classrooms clean after 5 pm and to always be accompanied by a parent when in the building. Thank you for your help in keeping all our children safe!
