A Note from the Director

Wow, what a great turn out and fun was had by all at our 20 year celebration. I am overwhelmed by the sense of family and love from yesterday. I think Emily Martin did an amazing job of highlighting the wonderful qualities of our teachers and center. Thank you for joining us to celebrate 20 years of caring for God's children.

The Mother's Day Art Show and Tea Party is Thursday, May 11th from 4:30-6:00 pm. The fellowship hall will be beautifully decorated with the children's art work. We hope you can make it!

Please let your classroom teacher or the office know if you will be changing your schedule for the summer as soon as possible.

Happy Mother's Day!

Julie

What's happening at NFC?

Important Office Reminder: Parents, when you change your email address please submit your new one to the office ASAP so that we can have the most up-to-date contact information for you. Once submitted to the office, staff will ensure that your email is relayed to your child's teachers as well. Please also follow these guidelines with regards to changes on your child's emergency cards (i.e.: address, doctor, safe pick-up people, etc.)

Sunblock: Please begin bringing sunblock in for your child if you would like them to wear it.

Summer Attendance

If you hope to take advantage of our summer attendance policy for those who normally attend 3,4 or 5 days per week please let the office know ASAP. Please let us know as soon as possible so the proper scheduling and payment adjustments can be made.

Children who attend NFC 3, 4 or 5 days per week are eligible to take advantage of our reduced attendance summer option: you can drop to 2 days/week for the summer and we will hold your 3, 4 or 5 day regular schedule for the fall. Many parents who have lots of summer time off of work or who are planning on taking numerous vacations take advantage of this program. To sign your child up for reduced summer attendance please let your child's teacher know what day your child will start the summer schedule, what day they will return to their regular schedule and what two days they will be attending each week.

All of God's grace in one tiny face.

Summer Vacations

NFC is here for you all summer long, but if you are taking a vacation, be it a long weekend away or a three week sun-soaked sojourn in the tropics, have fun! Before you go though, please consider calling, emailing or just telling a teacher about your plans. We always worry about the kids when they are not at school. Knowing about vacations ahead of time will also help us to staff our rooms appropriately and perhaps allow for staff to take vacations as well. Thanks!

Our Month of the Young Child celebration week was so much fun! Thank you all for participating!
